

The Glory of God Standard

I Corinthians 10:14-33

I. Here are the details of this passage.

- A. Idolatry is a constant _____ due to us being finite beings. V. 14-15 The cure is to _____ it if we suspect it.
- B. Our _____ service is a participation in the body and blood of Christ. V. 16-17
- C. Even though meat sacrificed to idols is ok to eat it can be a _____ to demonic worship. V. 19-23 Compare this with verse 25-26
- D. Our _____ must be sacrificed if it means destruction of others who see us participating and get led astray. V. 24-29
- E. We must be a people of _____ who also will give up anything for the Glory of God. V. 30-31 Our morality must be thought through. One size fits all approaches are not appropriate for God's people.
- F. The big picture always includes the _____ of all who are within our realm of influence.

II. Here are some ways to apply these truths.

- A. We must be aware of when _____ objects become sources of our worship. Even good things can become idols.
- B. Our communion service is a _____ in the sacrifice of Christ. We are remembering what He did for us and applying the power of His sacrifice to every aspect of our life.
- C. Food is food but some exercises of our freedoms can lure us into sinful areas. We should do _____ of behaviors that we have and check them with what God expects of us.
- D. If there is something that concerns you in these areas we must be willing to _____ doing this activity.
- E. The salvation of others has got to be _____ on our mind as we interact with them.
