**I Corinthians 14: 1-25**

**I. Here are the details of this passage.**

- A.** \_\_\_\_\_ you do ministry is just as important as \_\_\_\_\_ you do! V. 1
- B.** It is more loving to speak \_\_\_\_\_ to others than to exercise a gift that only benefits you. V. 2-6
- C.** Tongues without interpretation is very \_\_\_\_\_. V. 7-12
- D.** Praying and singing in the spirit has some \_\_\_\_\_. V. 13-15
- E.** It is better to speak \_\_\_\_\_ to others than to show off a gift that benefits no one. V. 16-18
- F.** Tongues are still a part of the Church \_\_\_\_\_, but it is a sign gift. In our maturity we must seek to teach others with God's \_\_\_\_\_. V. 19-22
- G.** Corporate meetings should not include \_\_\_\_\_, especially without interpretation. \_\_\_\_\_ should be the main vehicle to instruct and to evangelize. V. 23-25

**II. How can we apply these truths?**

- A.** \_\_\_\_\_ how you are coming across in trying to reach others. If you are not communicating love, it will come to \_\_\_\_\_.
- B.** \_\_\_\_\_ experiences are still a part of our beliefs. They must pass the \_\_\_\_\_ of love and biblical accuracy.
- C.** Speaking the truth in \_\_\_\_\_ has got to be our goal.
- D.** We must be willing to check our \_\_\_\_\_ in these matters. There may be \_\_\_\_\_ in them that are not God honoring.
