

The Ology Islands Lesson 3

Theo-Prime Island (Day 2)

Captain's Roll Call: We are traveling the safe coastal areas of Theo-Prime doing some background drills in order to be ready when the real battle occurs. The Ism pirates on this island live in the interior. We will meet them in battle soon. However, this week we will just examine what the Bible says about who Yahweh is. Why is this important to dealing with Ism Pirates? Most Ism beliefs are trying to explain God within their created understanding. Our God is uncreated, and He is therefore beyond our comprehension.

Roll Call/Treasure Hunt: Here are the attributes of Yahweh that we are studying today.

I. Infinity (Limitless):

Psalms 145:3

Isaiah 40:28

Romans 11:33-36

- A. God is not limited to _____, _____, or _____.
- B. His greatness is so big, no one has ever _____ the limit to His greatness.
- C. We are _____ of understanding Him without help from Him. Our mind has limits, His does not.

II. Eternity and Immortality (no beginning and no end).

Isaiah 57:15

I Timothy 1:17

Romans 1:22-23

I Timothy 6:16

- A. God is not subject to time. He _____ time.
- B. "God looks through time as we look through _____." Systematic Theology, Page 276 Augustus Strong

III. Immutability (unchanging)

Deuteronomy 32:4

2 Samuel 22:31

Hebrews 6:17

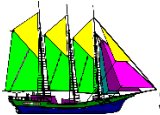

- A. Our relationship with God provides _____ for us. This is due to his unchanging nature.
- B. When we trust in God's word and His character, we become _____ from anything that comes our way.

Crew Huddle: How does this affect us as the followers of Yahweh?

1. We must reject the current view of a _____. God has it right the first time. There are no "do-overs".
2. God does not make _____. Even the tragedies were allowed by Him.
3. We must not regard our _____ as superior to His. He knows what He is doing, and we are not in a place to judge Him.

Battle With Ism Pirates: Most Ism's seek to understand God using their finite intellectual resources. The knowledge that we have about God is revealed to us by Him through His Word. We, therefore, have an advantage if we use His Word to defeat them.

Set Course: Next week we will continue our training on the coast of Theo-Prime Island.
